

If You Were My Girlfriend

Frankie J

So glad I found you
So glad I found you girl
So glad I found you
If you were my

Every time I see you, in the mall, doing your thing girl
I be up in your business, like baby, can I please get your number?
Let me pick you up, we can fall on the weekend
I be out in my hummer
Chicky-dit-ta with you
If you were mine
Can I get a chance with you
I just wanna dance with you
And maybe just maybe we can go do what we do
I'm feelin you girl
Tell you what I would do

If you were my girlfriend
I'll lift you up
I won't tie you down
I'll give you, my heart
If you were my girlfriend
I'll always be true
Right by your side
If you were my boo
If you were my girlfriend
I'll lift you up
I won't tie you down
I'll give you, my heart
If you were my girlfriend
I'll always be true
Right by your side
If you were my boo
