

## If You Were My Girlfriend

Frankie J

So glad I found you  
So glad I found you girl  
So glad I found you  
If you were my

Every time I see you, in the mall, doing your thing girl  
I be up in your business, like baby, can I please get your number?  
Let me pick you up, we can fall on the weekend  
I be out in my hummer  
Chicky-dit-ta with you  
If you were mine  
Can I get a chance with you  
I just wanna dance with you  
And maybe just maybe we can go do what we do  
I'm feelin you girl  
Tell you what I would do

If you were my girlfriend  
I'll lift you up  
I won't tie you down  
I'll give you, my heart  
If you were my girlfriend  
I'll always be true  
Right by your side  
If you were my boo  
If you were my girlfriend  
I'll lift you up  
I won't tie you down  
I'll give you, my heart  
If you were my girlfriend  
I'll always be true  
Right by your side  
If you were my boo
