

# Just The Way

Frankie J

It's just the way  
It's just the way you feel...come on...

I see you lookin fine  
And so lookin so right  
I love the way you walk  
When you pass me by...  
You got me all shook up  
Got me all shook up lady...oh

I love the way you smile  
It always drive me wild  
it makes my heartbetgo 1,000 miles  
And I can't make it stop  
Can't make it stop...lady

Cuz you really make me feel  
Like no other feelin I've felt before  
It makes me wanna shout baby...  
Makes we just wanna be...yeah  
I wanna be more than just your average friend  
Cuz I wanna be down yeah...

It's just the way you feel  
Oh it's got me goin crazy  
It's just the way you feel  
Ain't gonna lie to myself no more  
It's just the way you feel...yeah  
I gotta keep it real  
Gotta keep it real  
It's just the way you feel baby...

Well we've been goin out  
And we've been hanging out  
And you've been tellin people  
We're just friends  
Tell me what I should believe  
What about the kisses  
What about the hugs  
What about those nights of makin love  
What about all the above  
yeah...yeah...  
Cuz you really make me feel yeah...  
Like no other one i've felt before yeah...

It's just the way you feel  
Oh it's got me goin crazy  
It's just the way you feel  
Ain't gonna lie to myself no more  
It's just the way you feel...yeah  
I gotta keep it real  
Gotta keep it real  
It's just the way you feel baby...

It's like I dread  
Every time you go

I know that we friends  
But I want much more  
I wanna...pull you close  
And whisper in you ear  
I need you ma...just stay right here  
With me...but you always leave  
Before I can open up my mouth to speak  
Then I'm left by myself all alone  
But I yearn for the day to complete my soul  
And I don't know if it's you  
But you make me feel...  
Like the way I ain't felt since my teenage years  
But this is more than a crush, more than a lust, could  
it be that I'm fallin in naaa...It can't be...It can't be that  
Only a fool can love someone who don't  
Love them back...and that won't be me... no way no how...but i gotta  
Tell you this right now that...
