

Pretty Eyed Baby

Frankie Laine

Pretty-eyed baby, we could have a lot of fun, yes, a lot of fun
Because you are, you're the cutest one

Well, you're so sweet, walkin' on down the street
Baby doll, you are, you're the cutest one

Well, I'm so doggone glad you're wise
And I love, love, love your eyes
Darlin', can't you see
You were meant to be just for me

Pretty-eyed baby, we could have a lot of fun, yes, a lot of fun
Because you are, you're the cutest one

Pretty-eyed baby, we could have a lot of fun, yes, a lot of fun
Because you are, you're the cutest one

You're so sweet, walkin' on down the street
Baby doll you are, you're the cutest one

I'm so glad you're wise
And I love, love, love your eyes
Darlin', can't you see
My heart's a-gettin' kinda funny

Well, pretty-
eyed baby, we could have a lot of fun, yes, a lot of fun
Because you are, you're the cutest one
