

Wrap Your Troubles In Dreams

Frankie Laine

When skies are cloudy and grey
There only grey for a day
Wrap all your troubles in dreams
Dream all your troubles away

Till that sunshine peeps through
There's only one thing you can do
Wrap all your troubles and dream
Dream all your troubles away

Castles may crumble it's fate after all
Life is really funny that way
No use to grumble smile as they fall
Weren't you king for a day hay say

Just remember that sunshine will follow the rain
Wrap all your troubles in dreams
Dream all your troubles away

Your castles may crumble it's fate after all
Life is really funny that way
But there's no use to grumble smile as they fall
Weren't you king for a day hay say

Just remember that sunshine will always follow the rain
Wrap all your troubles in dreams
And dream all your troubles away
