

Expression of Love

Frankie Valli

What could be the most beautiful
Expression of love I could show for you
I could show for you to make you believe
Should I say what a thrill it is
To be close to you in your tender arms
And feel your tender charms
Beside me like this

I feel so proud whenever I walk with you
I want to return this feeling of love
That you give, long as I live
Won't you let me spend
My whole life away
Expressing my love to you, everyday
Help me find a way
To show my expression of love

I feel so proud whenever I walk with you
I want to return this feeling of love
That you give, long as I live
Won't you let me spend
My whole life away
Expressing my love to you, everyday
Help me find a way
To show my expression of love
