

Cosmic Rendezvous

Frankmusik

You got me up so high
The space around me feels cold
And with my feet above the ground
Take me to the unknown, yeah
This hand is spiritual
The spell you got over me, yeah yeah yeah
And you're my little miracle
I got you finally, yeah

I can touch the stars, baby
Yeah, you took me there
Got me "Houston, there's a problem"
Now I'm not even there
Ooh, ooh, ooh, ooooo
Ooh, ooh, ooh, ooooo
Ooh, ooh, ooh, ooooo
Cosmic rendezvous

Now there's no going back
You got me begging for more
And with your interstellar lights
You got me above it all
I think it's physical
This spell you got over me
And with nothing to break my fall
I got you finally, yeah

Oh, I can touch the stars, baby
Yeah, you took me there
Got me "Houston, there's a problem"
Now I'm not even there
Ooh, ooh, ooh, ooooo
Ooh, ooh, ooh, ooooo
Ooh, ooh, ooh, ooooo
Cosmic rendezvous
Ooooo, ooooo, ooooo, ooooo, ooooo, ooooo
Cosmic rendezvous
Ooooo, ooooo, ooooo, ooooo, ooooo, ooooo

Girl you got me closer to the edge of anything that I could ever understand
Girl you got me
Yeah you got me upside down
Upside down

I can touch the stars, baby
Yeah, you took me there
Got me "Houston, there's a problem"
Now I'm not even there
Ooh, ooh, ooh, ooooo
Ooh, ooh, ooh, ooooo
Ooh, ooh, ooh, ooooo
Cosmic rendezvous
So in love with you
Cosmic rendezvous
So in love with
So in love with
So in love with

So in love with you

Cosmic rendezvous

Ooooh, ooooh, ooooh, ooooh, ooooh, ooooh

Cosmic rendezvous

Ooooh, ooooh, ooooh, ooooh, ooooh, ooooh
