

## In Step Completed

Frankmusik

Never took a scene check  
Never were a reject  
Always looking perfect  
Now you aren't so instep  
Never took a scene check  
Never were a reject  
Always looking perfect  
Now you aren't so instep  
Instep, instep, instep

You had your photograph, in a magazine  
Such a pretty boy, only nineteen  
But now you're twenty-three and it's all gone now  
You ain't all that, you wanna be somehow  
Maybe it was only a dream  
You just thought you could be anything that you wanted to be  
Sadly, it all went wrong so

Never took a scene check  
Never were a reject  
Always looking perfect  
Now you aren't so instep  
Never took a scene check  
Never were a reject  
Always looking perfect  
Now you aren't so instep  
Instep, instep, instep

Still just go to the same old clubs  
But the new kids have got one above  
Music tastes change like the wind  
You're doing now what's already been  
But you still think that you're so it  
Cause you know so and so, and you made a hit  
But you can't hear it being played  
Cause you my friend have had your day

Never took a scene check  
Never were a reject  
Always looking perfect  
Now you aren't so instep  
Never took a scene check  
Never were a reject  
Always looking perfect  
Now you aren't so instep

Never took a scene check  
No you aren't so in step  
No you aren't so

Never took a scene check  
Never were a reject  
Always looking perfect  
Now you aren't so instep  
Never took a scene check  
Never were a reject  
Always looking perfect

Now you aren't so instep
