Frankmusik

Just call a car  
You said I've gone too far  
With all the love-y love-y love-y love-y love-y stuff  
With all the love-y love-y love-y stuff  
I'll pack my bag  
'Cause you have had  
You said you had-a had-a had-a had-a had enough  
You said you had-a had-a had enough

I bet you're happy now you know that you're free  
Leaving me to solve another mystery  
[?] baby you can call me  
That's me

You're in a league of your own  
You're in a league of your own  
Just one thousand leagues below

Just one thousand leagues below

Take my soul  
In your hands, oh tell me  
Was I ever ever ever gonna be your man  
Was I ever gonna be your man, why don't you just  
Laughin' through  
My blueberry face  
I bet you'd do it do it do it do it do it any place  
I bet you'd do it do it any place

What's the big deal, I was just a cheap thrill  
Your delusion 'cause you never [?]  
But you don't have to cut me down like I'm [?]  
Kill me
