Your love is something else
It's nothing I have seen
You stole from myself
And showed me all my dreams

So don't leave me now
Don't leave me now
'Cause I can't [?]

Oh, show me who I am
Cause I don't understand
When love, love's a mystery
But you know [?]
Woah, yeah

I'm hanging on the line
But trust me, I can help
I'm dying for your time
I'm begging for your love
I'm needing you now
I'm needing to have you right by my side

Oh, show me who I am
Cause I don't understand
When love, love's a mystery
But you know [?]
Woah, yeah
