

# Sometimes

Frankmusik

Find it harder to breathe  
Inhale deep within me  
Oh no, I feel my throat gettin' tighter  
And all the lights, they're gettin' brighter

Sometimes sometimes  
The sun goes down  
Sometimes sometimes  
I feel you  
Sometimes sometimes  
The sun goes down  
Sometimes sometimes  
I feel you

I  
I have got a feelin'  
This time  
And it won't stop  
Gettin' harder to control  
My mind

I  
I have got a feelin'  
This time  
And it won't stop  
Gettin' harder to control  
My mind

Sometimes sometimes  
The sun goes down  
Sometimes sometimes  
The sun goes down

(Control control)  
(Feel you feel you feel you)

Sometimes sometimes  
The sun goes down  
Sometimes sometimes  
I feel you  
Sometimes sometimes  
The sun goes down  
Sometimes sometimes  
I feel you
