

Stronger

Frankmusik

I'm planting seeds of hope and all I'm thinking
'Cause who needs time to look behind?
Though nothing's heavy, not a single smile is breaking, but
I think this darkness needs some light in here

I can see the memories of my heart
They're playing out in rewind
But every little melody that starts
Is just a sign I'll be fine

Now I'm stronger than I've ever been
Now I'm closer than I've ever, I've ever been
Now I learn from all my failures
'Cause now I see what happens
When dreams would only prove me wrong
Oh, when I woke up and finally saw what happened
All those yes men who'd ran and gone

I can see the memories of my heart
They're playing out in rewind
But every little melody that starts
Is just a sign I'll be fine

Now I'm stronger than I've ever been
Now I'm closer than I've ever I've ever been
Now I see all the battles I've struck
And you thought I would only give up
For your sake I hope we don't lay eyes on each other again
Now I'm stronger than I've ever been
Now I'm closer than I've ever, I've ever been
And I'm stronger

And I'm closer than I've ever been
And I'm closer then I've ever been
And I'm closer then I've ever been
I've ever I've ever been
I've ever I've ever bee
