

# Till It Goes

Frankmusik

I got something that, that you need to know  
I don't know 'bout love 'til it go, go, goes  
Yeah I got something that, that you need to know  
I don't know 'bout love 'til it goes

So break the rules, baby we don't need them  
Live so fast, hardly time for breathing  
You could be my Bonnie and I can be your Clyde  
I know you barely know me but I think that's alright

See I'll keep running and I hope you don't mind  
That's just how, I live my life  
You look for love and I'm out of time, time, time, yeah

I got something that, that you need to know  
I don't know 'bout love 'til it go, go, goes  
[?] that's about to blow  
I don't know 'bout love 'til it go, go, goes  
'Til it go, go, goes

I got something that you need to know  
I don't know 'bout love until it goes  
I got something that you need to know  
I don't know 'bout love until it go  
'Til it go, 'til it go, 'til it go, go, goes

That's the way I [?]  
Girl, I'm here, then I'm gone  
I know baby girl, it's wrong

I could tell you your struggle is real  
But [?] is just the way that I feel  
If you wanna [?] you better go, go

See I'll keep running and I hope you don't mind  
That's just how, I live my life  
You look for love and I'm out of time, time, time, yeah

I got something that, that you need to know  
I don't know 'bout love 'til it go, go, goes  
[?] that's about to blow  
I don't know 'bout love 'til it go, go, goes  
'Til it go, go, goes

I got something that you need to know  
I don't know 'bout love until it goes  
I got something that you need to know  
I don't know 'bout love until it go  
'Til it go, 'til it go, 'til it go, go, goes

Don't try to save me, I'll just blow your mind  
Just drive you crazy, do it, rain or shine  
Don't try to save me, just enjoy the show  
I'm gonna love, love until it goes
