

Mayday

Frans

We're making problems
Don't know how to solve them, no
And if I'm honest
Don't know if I want this, no
It's been going on for way too long
Always talking shit about the things I've done
Remember on my birthday, it wasn't worth it, look into a mirror for once

I've been thinking about us
I've been thinking yeah
Reminiscing
I've been thinking about trust
And how it's missing, yeah
And slowly sinking

Mayday, mayday, mayday
Mayday, mayday, mayday

So stuck in our ways
I don't know why we stay, no
(Acting like we're on good terms when)
When you look at me
You don't love what you see, no
(Coming home and you're still)
Sleeping with the enemy now
Back to back, don't wanna talk the hard things out
We need a conversation, not a confrontation, why you gotta fuck this up?

I've been thinking about us
I've been thinking yeah
Reminiscing
I've been thinking about trust
And how it's missing, yeah
And slowly sinking

Mayday, mayday, mayday
Mayday, mayday, mayday

I've been thinking about us
I've been thinking yeah
Reminiscing
I've been thinking about trust
How it's missing, yeah
And slowly sinking

Mayday, mayday, mayday
Mayday, mayday, mayday

(Mayday, mayday, mayday, mayday, mayday)
Mayday
(Mayday)
