

Billy Goodbye

Franz Ferdinand

Don't forget the best bits

Bye bye, Billy goodbye
When it comes to recollecting
Don't forget the best bits
Bye bye, Billy goodbye
Don't get down, look around
Or think about the next bit
Bye bye, Billy goodbye
When it comes to recollecting
Don't forget the best bits
Ah ah aye, Billy goodbye

I can't deny
I thought at last
I can't deny I thought
Auf Wiedersehen steckrübe
Why waste time regretting the past
When we can worry about the future
We have a very merry future
Bye bye Billy, goodbye
Don't forget the best bits

Bye bye, Billy goodbye
When it comes to recollecting
Don't forget the best bits
Bye bye, Billy goodbye
Don't get down, look around
Or think about the next bit
Bye bye, Billy goodbye
When it comes to recollecting
Don't forget the best bits
Ah ah aye, Billy goodbye
Billy goodbye

How did it start?
How did it stop?
Details, details
But not the plot
If you walk in
I prefer to walk out
I prefer to walk on
Walk into the future
Have a very merry future
Bye bye Billy, goodbye

Maybe it's time to go (oh oh oh)
Maybe it's time to go (oh oh oh)
Maybe it's time to go (oh oh oh)
Maybe it's time to go (oh oh oh)
It's time to go

Bye bye, Billy goodbye
When it comes to recollecting
Don't forget the best bits

Bye bye, Billy goodbye

When it comes to recollecting
Don't forget the best bits
Bye bye, Billy goodbye
Don't get down, look around
Don't forget the best bits
Ah ah aye, don't forget the best bits
Ah ah aye, don't forget the best bits
Ah ah aye, Billy goodbye
Billy goodbye
Billy goodbye
Billy goodbye...
