

# Feel The Love Go

Franz Ferdinand

Hey, what's that thing that you're doing  
Hey, what's that thing that you do  
No, you're not that thing that you're doing  
For the things that you do are not who you are

Why don't you come over here  
Why don't you come over here  
Why don't you come over here  
Why don't you come over

Think of a friend (love)  
And wish them love  
Think of an enemy (more)  
And wish them more

See, see the things that you're doing  
See, but see the things that you do  
See the things that you do are not who you are

Why don't you come over here  
Why don't you come over here  
Why don't you come over here  
Why don't you come over

Think of a friend (love)  
And wish them love  
Think of an enemy (more)  
And wish them more  
Think of every (life)  
Life and wish them all your love

Then feel that love return  
Feel the love infinity  
Feel the love infinity  
Then let it go

Let the love go  
Oh, let the love go  
Oh, let the love go  
Oh, let the love go

Feel the love go  
Feel the love go  
Feel the love then go  
Feel the love then go

Feel the love go
