I feel it (I feel it)
I'm fine (So fine)
I feel it in the spring sunshine (Sunshine)
So fine (So fine)
I feel it in the spring time shine

Then hold
Suddenly I

Finally I found my people
Found the people who were meant to be found by me
Finally, finally, finally I'm here
In my place, so I'm here
God, how it feels good to feel
God, how it feels good to be with the people I need

Finally I found my
Finally I found my
Finally I found my
Finally I found my
Finally I found my people
Found the people who were meant to be found by me
Finally, finally, finally I'm here
In my place, so I'm here
