

# Runnin'

Frazey Ford

Who are the one-eyed?  
Aha! For something else  
I know why no one gets out  
'Cause you'll find I'll come with you out, oh, yeah-eh-eh-eh

You'll find that you can do it, all by yourself  
Nothing is just so fine  
All alone to find, oh-oh-oh-oh-oh (uh, uh, uh)  
Hey, yeah-eh-eh-eh (uh, uh, uh)

'Cause, you're the judge (oh, yeah)  
I never doubted you (oh yeah, hey-yeah)  
I never doubted you  
'Cause, you're the judge (oh, yeah)  
I never doubted you (oh yeah, hey-yeah)

Hey, you have always paid to testify  
Hold the world beyond destruction  
So, nobody asks a question  
'Cause, you're getting tired, every day that ends  
You're all alone in your mind  
Running in circles in your heart  
Hand over hand (ooh-ooh-ooh)  
(Ooh, yeah, ooh-ooh-ooh)

'Cause, you're the judge (oh, yeah)  
I never doubted you (oh yeah, yeah)  
I never doubted you  
Hey, you're the judge (oh, yeah)  
I never doubted you (oh yeah, hey-yeah)

'Cause you're the judge (oh, yeah)  
I never doubted you (oh, yeah, yeah)  
I never doubted you

'Cause, you're the one (oh, yeah), holding yourself (whoa-  
oh, yeah)
