

When We Get By

Frazey Ford

When we get by
When we get by-hi
When we get by with love
I look in your eyes
I look in your eye-hiyes
I know just what you're thinking of

It's a beautiful day and you're welcome to stay
We can spend some time, catch a matinee
Ohh hoo...
You're so fine, and the
Day is fine, and
We'll be fine
When we make it by, we get by when

When we get by
When we get by-y
When we get by with love
I look in your eyes
I look in your eye-hiyes
The prettiest stars above

Everything, everything, everything is okay
We can make love in the shade
Sip some chocolate lemonade
Ohh hoo...
You're so fine, and the day is fine and
We'll be fine
When we make it by, we get by when

When we get by
When we get by-y
When we get by with love
I look in your eyes
I look in your eye-hiyes
I know just what you're thinking of

It's a beautiful day and you know it's a fate
You'll scratch mine, and I'll scratch your back
Sugah
You're so fine, and the
Day is fine, and
We'll be fine
When we make it by, we get by

When we get by
When we get by-y
When we get by with love
I look in your eyes
I look in your eye-hiyes
The prettiest stars above

When we get by
When we get by-y
When we get by with love
I look in your eyes
I look in your eye-hiyes

I know just what you're thinking of
