

## Clean it Up

Freak Kitchen

Spare me your lame excuses  
You think i find it funny?  
Take another good look  
How many times can aperson screw things up?  
Perhaps you're aiming for that Guinness book?

I'm done covering, it's just embarrassing  
To stick your head into the sand  
Won't make it go away  
I know you're not dumb  
Yet something clearly is missing  
What did the T-shirt say?  
Same shit,different day...

Wake up brother  
There's no other  
Than you to clean it up

I don't want to turn my back on you  
I'll be the last person to abandon the ship  
But there's a limit to how far  
One can carry another  
When all you do is slip and slip and slip

No more bull, think a little ahead  
Fed up listening to your sorry ass voice  
Never thought i'd call you a fool  
But these nasty habits of yuo leave no choice

Clean it up  
Clean it up

Wake up brother  
There's no other  
Than you to clean it up
