# Troll

**Freak Kitchen**

Troll...
It seems the end is drawing near
Troll...
Still I can see the shore from here

Troll...
Somehow I am flooded with relief
Troll...
Gone are doubt and disbelief

Did I...
Did I...
Did I... Did I... Did I...

Did I tell you that I need you?
Did I tell you that I care?
I need you more than ever

This is much too much to bear
Give something to hold on to

There is chaos everywhere...

Did I... Did I...
Did I... Did I...
Did I...

Troll...
I believe you are nearby

Did I tell you that I need you?
Did I tell you that I care?
I need you more than ever

This is much too much to bear
Give something to hold on to
There is chaos everywhere...

Did I... Did I...
Did I... Did I...
Did I...
