

# Angie (I've Been Lost)

Fred again..

I've been lost, I've been lost  
I've been lost, I've been lost for a while  
But I'm really tryin'  
I've been lost, I've been lost  
I've been lost, I've been lost for a while  
But I'm really tryin'

But I'm really tryin'

Don't have nothin' left  
Don't save me, don't save me  
Don't save me  
Don't have nothin' left

I've been lost, I've been lost  
I've been lost, I've been lost for a while  
But I'm really tryin'  
I've been lost, I've been lost  
I've been lost, I've been lost for a while  
But I'm really tryin'

Lost  
Lost  
But I'm really tryin'  
Lost

Don't save me, don't save me  
Don't save me  
Don't have nothin' left (We gon' make it through)  
Lost  
Don't save me, don't save me  
Don't save me

I've been lost, I've been lost  
I've been lost, I've been lost for a while  
But I'm really tryin'  
I've been hurt, I've been broke  
I've been bent out of shape for a while  
But you just keep me tryin'

Don't have nothin' left  
Don't have nothin' left  
Don't have nothin' left  
Lost  
Don't save me, don't save me  
Don't save me  
Don't have nothin' left  
Don't save me, don't save me  
Don't save me  
Don't have nothin' left

Oi, Fred, what a time we been in, man  
We gon' make it through  
Don't have nothin' left
