

Big Hen (Steal My Joy)

Fred again..

Ah, it's been a lot, man
I wrote this little thing
And it goes

Don't know what I'm goin' through
Not sure if I'll get to you

Oi, Fred, what a time we been in, man

Can't nobody steal my joy
Can't nobody steal my joy, joy
Don't know what I'm goin' through
Can't nobody steal my joy
Can't nobody steal my joy, joy
I don't know what I'm goin' through
I don't know if I'll get to you
I'm scared my thoughts don't tell the truth
But I don't wanna get over you
Can't nobody steal my joy
Can't nobody steal my joy, joy

Fool me, darlin', I
Feel like you're inside
Look at the smile across my face
Mmm
You know I don't let go
There's not a purer heart I know
I could feel this all my life

What a time we been in, man

I don't know what I'm goin' through
I don't know if I'll get to you
I'm scared my thoughts don't tell the truth
But I don't wanna get over you
Can't nobody steal my joy
Can't nobody steal my joy
Can't nobody steal my joy
I don't wanna get over you (Can't nobody steal my joy)
Can't nobody steal my joy
Can't nobody steal my joy, joy, joy
Can't nobody steal my joy
I don't wanna get over you (Can't nobody steal my joy)

Throw that time away
I know you patch up my mistakes
What we go through every day
(Joy, joy, joy, joy, joy, joy, joy, joy)
I know my smile won't fade
You got the keys, we'll drive away
We're bigger than all that's in our way

I don't know what I'm goin' through, yeah
I don't know if I'll get to you
I'm scared my thoughts don't tell the truth
But I don't wanna get over you
I don't wanna get over you

Can't nobody steal my joy
Can't nobody steal my joy, joy, joy
Can't nobody steal my joy
I don't wanna get over you (Can't nobody steal my joy, joy, joy)
Can't nobody steal my joy
Can't nobody steal my joy, joy, joy
Can't nobody steal my joy
I don't wanna get over you (Can't nobody steal my joy, joy, joy)
Can't nobody steal my joy
Can't nobody steal my joy, joy, joy
Can't nobody steal my joy
I don't wanna get over you (Can't nobody steal my joy)

Yeah
Can't nobody steal my joy
Can't nobody steal my joy, not even myself

Yeah, man, I don't know
I hope that helps
