Carlos (Interlude)

Fred again..

My guy, what's he got to say?
We gon' make it through
You know who it is when I come through
I want you to see me, Fred, I'm here (Here)
These guys are giving me life

We gon' make it through
We gon' make it through
(Come through)
We gon' make it through
We gon' make it through
We gon' make it through

I want you to see me, Fred, I'm here

(Come back)
