

Chika (Scared)

Fred again..

I remember
I remember
I remember
How scared you were
How it used to be
I remember
I remember
I remember
I remember
How scared you were
How it used to be
I remember
Play that shit, Fred!
I remember
Aww, man
How scared you were
How it used to be
(Rem-em-ember)

Can't you see me, Fred? I'm here!
Haha
Here we go
I remember
I remember
How scared you were
How it used to be
I remember
I remember
I remember
How I used to love your smile
You'd hol-d me
Can't you see me, Fred?
(How I used to love your smile)

I remember
I remember
How scared you were
How it used to be
