

Faisal (Envelops Me)

Fred again..

It's all love
Love

Let me out my secret life
I was always on your side (Oh, oh, oh)
And the walls I built around you, they're all breaking down
And I'm keeling over now

I'm ready to feel (Oh, my Lord, your love, it envelops me)
I'm ready to feel (Oh, my Lord, your love, it envelops me)
Oh, I'm ready to feel (Oh, my Lord, my love, it envelops me)
I'm ready to feel (Oh, my Lord, your love, it envelops me)

Let me out, babe, I can't breathe
I'm shaking now
You lost yourself in me
Machine in doubt
But you can leave your pain behind now
'Cause I'm climbing out this time
I'm climbing out my mind

Oh, I'm ready to feel (Oh, my Lord, your love, it envelops me)
I'm ready to feel (Oh, my Lord, your love, it envelops me)
Oh, I'm ready to feel (Oh, my Lord, my love, it envelops me)
I'm ready to feel (Oh, my Lord, your love, it envelops me)

Oh, my Lord, your love, it envelops me
Oh, my Lord, your love, it envelops me
Oh, my Lord, your love, it envelops me
Oh, my Lord, your love, it envelops me, -velops me
-Velops me, -velops me

Oi
One time we'll be doin' this, man
I hope that helps
