

# GANG

Fred again..

Two months and I ain't been home  
I still say my Hail Mary when I break each O  
Pops don't know if I'm dead or alive  
I just bag this first Z out this nine  
Got nicked up in country, fell in love with this life  
I never that jail would be the next time I write  
My shorty when it's on, doin' better at life  
They didn't lie when they say you're out of sight, out of mind  
Told myself I'll make sure they can't forget me next time  
I got lit, really had to take those risks  
You ever have to sit on public transport casually with half a brick?  
You ever been up North? Nuttin' to relate to  
On the wing I had more than enough time to think of a plan  
Grew together, tried to think we're a gang  
Now they talkin' drill and trap, now they think of the gang  
More than enough time to think of a plan  
Now they trap-trap-trap and then they think of the gang

More than enough time to think of a plan  
Grew together, tried to think we're a gang  
Now they talkin' drill and trap and then they think of the gang  
Grew together, tried to think we're a gang  
Now they trap-trap-trap and then they think of the gang  
More than enough time to think of a plan  
Now they talkin' drill and trap and then they think of the gang  
Think of the gang  
Trap-trap-trap and then they think of the gang

Four months and I ain't been home  
I still say my Hail Mary when I break each O  
Pops don't know if I'm dead or alive  
I just got some new bells for this 9  
I got nicked up in country, all I tried to do was grind  
Never knew that jail would be the next time I write  
I might wake up in the mornin', find myself on a flight  
Didn't lie when they say you're out of sight, out of mind  
Now they're wishin' they can get a second out of my time  
I got lit, really had to take those risks  
You ain't whipped, bought a whip and had to decamp the whip

Nuttin' to relate to  
On the wing I had more than enough time to think of a plan  
Grew together, tried to think we're a gang  
Now they talkin' drill and trap and then they think of the gang  
Grew together, tried to think we're a gang  
Now they trap-trap-trap and then they think of the gang  
More than enough time to think of a plan  
Now they talkin' drill and trap and then they think of the gang

It's my pa's birthday, I'ma gift him some land  
Cah he used to wash my shirts, done that shit with his hands

Think of the gang  
Think of the gang (One)  
Think of the gang (One)  
More than enough time to think of a plan
