

Jungle

Fred again..

Ain't no, no, no, like
Ain't no, no
Ain't no, no, no, like
Ain't no, now
Ain't no, no, no, like
Ain't no, oh
Ain't no, no, no, like
Ain't no, now

Sailin' in tha chopper, road killin' like we vultures
I became the queen when I rode with them brothers
Turned to, turned to, turned to lion, I eat nightmares for supper
Brrow-brrow on command and I'll sick em' on another

Ain't no love in the jungle
Ain't no, no, no, like
Ain't no, no, no (Oh)
Ain't no love in the jungle
Ain't no, no, no, like
God, it's like
Ain't no love in the jungle
Ain't no, no, no, like
Ain't no, no
Ain't no love in the jungle
Ain't no, no, no, like
God, it's-

Brrow-brrow, command, command
Brrow-brrow, command, command
Brrow-brrow, command, command
Command, command, command, command

Sailin' in tha chopper road killin' like we vultures
I became the queen when I rode with them brothers
And oh God, you done and gone and spilt your damn sippy cup, ah
Baby-back bitches cryin' 'cause you can't get that cake up
Up, up, up, up
Up, up, up, up

'Cause ain't no love in the jungle
Ain't no, no, no, like
Ain't no, no
Ain't no love in the jungle
Ain't no, no, no, like
God, it's like
Ain't no love in the jungle
Ain't no, no, no, like
Ain't no, no
Ain't no love in the jungle
Ain't no, no, no, like
God, it's-

Like, ain't no love in the jungle
Ain't no, no, no, like
Ain't no, no
Ain't no love in the jungle
Ain't no, no, no, like

God, it's like
Ain't no love in the jungle (Now)
Ain't no, no, no, like
Ain't no, no
Ain't no love in the jungle (Now)
Ain't no, no, no, like
God, it's like
