

## Kyle (I Found You)

Fred again..

In this smoking chaos  
Our shoulder blades kissed  
I found you

I found you  
I found you  
I found you beautiful  
I found you exploding  
I found you

I found you  
I found you  
I found you beautiful  
I found you exploding  
I found  
You

Beautiful  
Exploding  
I found you

Beautiful  
Exploding  
I found, I found  
I found you

Your head shakes out your heart  
You're pullin' yourself apart  
With sweat bleedin' down  
I found you, ayy  
I found you  
With the calm across your face (I found you)  
Look at the state you got this place (I found you)  
I was outside my mind, but I found  
I found, I found  
(I want you to see me, Fred, I'm here)  
You

Beautiful  
Exploding  
I found you  
I found you  
And I still remember  
Beautiful  
Exploding  
I found, I found  
I found, I found

I found you  
I found you  
I found you beautiful  
I found you exploding  
I found you

In this smoking chaos  
Our shoulder blades kissed
