

Kyle (Northern Line)

Fred again..

In this smoking chaos
Our shoulder blades kissed
I found you

I found you
I found you
I found you beautiful
I found you exploding
I found you

I found you
I found you
I found you beautiful
I found you exploding
I found you

I found you
I found you
I found you beautiful
I found you exploding
I found you

I found you
I found you
I found you beautiful
I found you exploding
I found you
