Leave me alone
Leave me alone
Y'all better leave me alone
Leave me alone
(Bless up)

Everybody on a little mission, mission
Money make a-, go-go missin', missin'
I can turn you on in an instant, instant
Everybody leave me, leave me, leave me alone
Everybody on a little mission, mission
Money make a-, go-go missin', missin'
I can turn you on in, on in, on in, on in
Leave me, leave me, leave me alone
Touchin' on your booby, get 'em lifted, lifted
She wanna get lit-lit, lit-lit
Fuckin' on-, fuckin' on-
Battlin' a-, battlin' a-, battlin' a-
Battlin' a-, battlin' a-, battlin' a-

Everybody, everybody, everybody, everybody
