

## Lights Out

**Fred again..**

I go, I go, I go, I go  
I go, I go, I go, I go

Dancin' with, danc-dancin' with the lights out  
Dancin' with, danc-dancin' with the lights out  
Dancin' with, danc-dancin' with the lights out  
I never want it, never, n-never want it to end  
Dancin' with, danc-dancin' with the lights out  
Dancin' with, danc-dancin' with the lights out  
Dancin' with, danc-dancin' with the lights out  
I never want it, never, n-never want it to end (I go, I go, I go, I go)

You've stolen, stolen my energy  
But my heart won't break  
I won't let it now  
Only with the lights out  
Will I ever give up the game  
I go dancin' with my friends  
When you let me down  
Someone tell the night sky  
That I never want it to end  
Now my heart won't break, it bends  
You're underneath my, my, my

I go, I go, I go

Dancin' with, danc-dancin' with the lights out  
Dancin' with, danc-dancin' with the lights out  
Dancin' with, danc-dancin' with the lights out  
I never want it, never, n-never want it to end  
Dancin' with, danc-dancin' with the lights out  
Dancin' with, danc-dancin' with the lights out  
Dancin' with, danc-dancin' with the lights out  
I never want it, never, n-never want it to end

You've stolen, stolen my energy  
But my heart won't break  
I won't let it now  
Only with the lights out  
Will I ever give up the game  
I go dancin' with my friends  
When you let me down (I go, I go, I go, I go, I go, I go, I go)  
Someone tell the night sky  
That I never want it to end  
Now my heart won't break, it bends (I go, I go, I go)  
You're underneath my, my, my, my
