

Marea (We've Lost Dancing)

Fred again..

We've lost dancing (Lost dancing)
This year we've had to lose
Our space, we've lost
We've lost dancing
All these things that
We took for granted
(We-we-we-we-we-we've lost dancing)

(Bun)
(We-we-we-we-we-we've lost dancing)
(Bun)

This year we've had to lose
Our space, we've lost dancing
We've lost the hugs with friends and
And people that we loved
All these things that we took for granted
(We've lost dancing)
(We've lost dancing)
If I can live through (We've lost dancing)
This next six months (We've lost dancing)
Day by day (We've lost dancing)
If I can live through this (We've lost dancing)
What comes next
Will be
Marvellous

(Bun)
