

Mustafa (Time To Move You)

Fred again..

Now it's only me that needs to save himself
Feel like I can't be here while you're in that realm
Oh I need time
Oh I need time
Oh I need time
Oh I need time to mourn you
Time to mourn you

Oh I need time
Oh I need time (I found you)
I need time to mourn you
Time to mourn you
(In this smoking chaos)

I was out my mind last year
Throwin' pictures through the mirror of your mind
And we were so far in
Couldn't see what we were leavin' behind
I was out my mind last year
But parts of you were realer than life (Realer than life)
Could barely define (Hahaha, um)

Oh I need time
Oh I need time
Oh I need time to mourn you
Time to mourn you
(Just know that, just know that it gets better with time)
Oh I need time (If you wanna grab a coffee?)
Oh I need time (At some point, come around)
Oh I need time to mourn you
Time to mourn you

I've been lost, I've been lost
I've been lost, I've been lost for a while
(You really picked the right moment to tell me)
Oh I need time
I've been lost, I've been lost
I've been lost, I've been lost for a while
(In this smoking chaos)
(Our shoulder blades kissed)

(If you don't know, don't worry)
(Courage, my soul)
(Our shoulder blades kissed)
(If you don't know, don't worry)
