

## places to be

Fred again..

When I get home, I want you  
When I get home, I want you  
(Hello, hello, hello, hello)  
Hello, I got places to be  
Places to be

Hello, I got places to be  
Like me next to you, and you next to me  
Hello, I got places to be  
Like me next to you, and you next to me  
Hello, I got places to be  
Like me next to you, and you next to me

And you next to me  
And you next to me  
And you next to me  
Hello, I got places to be

Hello, I got places to be  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Hello, I got places to be  
Pretty, pretty, brown, round, got me weak in the knees  
Slow up, your homie down, I'm re-adjustin' my speed  
I've been gone too long, baby doll, don't leave  
Okay, but mash, foot up on the gas  
Runnin' up numbers, shiftin' the axis, like I was NASA  
But if you believe they put a man on the moon  
Then, damn, what I got to do? (I gotta)  
Gotta move that ass, that's right  
Tell me what that fast track like  
Baby girl, there's nothin' that could keep me from you (And you know I love you)  
Haters always wanna keep me from you (Wanna keep me from you)  
Got me pickin' out my speed now for ya  
Please be loyal  
Sheesh, you know you got that

Hello, I got places to be  
Like me next to you, and you next to me, ha  
Hello, I got places to be  
Like me next to you, and you next to me  
Hello, I got places to be, yeah  
Like me next to you, and you next to me (Come on)  
And you next to me (Come on)  
And you next to me (Come on)  
And you next to me

Hello, I got places to be  
Yeah, there's somethin' I got  
Come on  
Yeah, there's somethin' I got  
Oh, oh  
Hello, I got places to be  
Hello, hello, yeah, oh

You got that

Vibe, vibe, don't you like to roll?  
You got that  
Vibe, vibe, don't you like to roll?  
You got that  
Vibe, vibe, don't you like to roll?  
You got that  
Vibe, vibe, don't you like to roll?

Hello

I don't know, there's something about that song  
That just makes you wanna get up and bust a motherfuckin' move  
You got that  
Vibe, vibe, don't you like to roll?  
You got that  
Vibe, vibe, don't you like to roll?  
You got that  
Vibe, vibe, don't you like to roll?
