

Roze (Forgive)

Fred again..

Just don't accept it
'Cause I cannot shake the feeling
That I'm gonna see you again

I was nothing but good to you
Made some mistakes, but I still loved you
I was nothing but good to you
Made some mistakes, but I still loved you

I guess I couldn't do for you
The things you wanted me to
Wanted me to
I guess I couldn't do for you
The things you wanted me to
Wanted me to

Wanted me to

I was nothing but good to you
Made some mistakes, but I still loved you
I was nothing but good to you
Made some mistakes, but I still loved you

I guess I couldn't do for you
The things you wanted me to
Wanted me to
I guess I couldn't do for you
The things you wanted me to
Wanted me to

Wanted me to
