

Secret Life

Fred again..

You don't know, don't worry (hold up)
Is it me?
You don't know, don't worry
Just get your teeth back, [?]
Just keep doing your thing
Don't worry
The sun ain't shining, why are people still crying?

Pace through the morning
You feel my mind
Tasting to feel it
This the time?

And I miss you so much
But you're not on your side
Cause I'm still breathing
In my secret life, in my secret life

Hold on, hold on my brother
My sister hold on tight
Finally found my whole life
Soldiers marching through the morning
Marching through the night
Moving across the borders of our secret life
Of my secret life

I see it clearer
You made yourself like that
But I your [?] part
That call was mine

Hold on, hold on my brother
My sister hold on tight
Finally found my whole life
Soldiers marching through the morning
Marching through the night
Moving across the borders of our secret life
