

The Boys (Interlude)

Fred again..

You're my brothers in arms forever
These men
We just see eye to eye
And I, I can't explain any deeper than that

Head in a prison
Head in a
Head

How many and the gang n'em got?
How many-how many got-got?
How many and the gang n'em got?
Big shot, big shot, big shot, big shot, go
How many and the gang n'em got?
How many-how many got-got?
How many and the gang n'em got?
Big shot, big shot, big shot, big shot, go (Head in a prison)
How many and the gang n'em got?
How many-how many got-got? (Head in a prison)
How many and the gang n'em got?
Big shot, big shot, big shot, big shot, go (Head in a prison)
How many and the gang n'em got?
How many-how many got-got?
How many and the gang n'em got?
