Streak of lightning coming down the highway turn around and watch it go switch on the lights put on the highbeams better find a preacher on the radio

I like to drive at 105
its just how fast i got to go
i got the gears and i got the motor
aint no reason to go slower
and i like the speed i like the motion
i like the rockin machine
i like to drive at 105
better hurry up if you wanna catch me

neon sign flashin by like something in your eye Elvis on the radio almost makes you cry falshing lights in the rearview you know payin many mile step on the gas pull out to pass and leave em f ar be hind
