

## Betty

Fred Eaglesmith

Betty what did you do with my gun?  
You been gone for too many days  
You come driving out of the sun  
And you don't have anything to say

Betty what'd you do with the gun?  
The stranger's at my door  
And there's more where they come from  
Betty what'd you do it for?

Was it the money?  
Was it the drugs?  
Was it somebody that you used to love?  
Was it a score you had to settle?

Betty, Betty, why won't you tell me?

Was it the money?  
Was it the drugs?  
Was it somebody that you used to love?  
Was it a score you had to settle?  
Betty, Betty, why won't you tell me?

I don't like the feel of this tale  
What if the bad guys come  
And they try to take us down  
Betty what'd you do?  
Betty what'd you do?  
Betty what'd you do?
