

# Kansas

Fred Eaglesmith

It's always Kansas  
That's where I always break down  
That's where my world  
Tumbles to the ground  
It's always Kansas  
That's where I fall apart  
That's where my broken heart  
Catches up with the news  
It's always Kansas  
It's always Kansas  
Always Kansas  
Makes me think of you  
Those sad sad songs  
On the radio  
In the juke box in the truck stops  
They don't bother me  
You know  
I can face the day  
I can walk away  
I can tell myself  
I'm gonna be okay  
It's always Kansas  
That's where I always break down  
That's where my world  
Tumbles to the ground  
It's always Kansas  
That's where I fall apart  
That's where my broken heart  
Catches up with the news  
It's always Kansas  
It's always Kansas  
Always Kansas  
Makes me think of you  
I don't know why you had to go  
I've thought and thought it out  
Leavenworth to Dodge  
I've traveled every road  
It's always Kansas  
That's where I always break down  
That's where my world  
Tumbles to the ground  
That's where I fall apart  
It's where my broken heart  
Catches up with the news  
It's always Kansas  
It's always Kansas  
Always Kansas  
Makes me think of you  
It's always Kansas
