

Rooster Fight

Fred Eaglesmith

Well I got me a rooster and I got me a hen
Locked 'em in to a yellow branch pen
Fed 'em some corn, fed 'em some bread
Boiled 'em up in an oil can
There's a rooster fight on Red Rock Farm
Bring your money, bring your gun
If you got any rot gut bring it along
There's a rooster fight on Red Rock Farm
I had me a chicken
I had me a dog
I traded them in for a little red hog
Dog on a chain, chicken in a sack
Dog ran away and the chicken came back
There's a rooster fight on Red Rock Farm

Bring your money, bring your gun
If you got any rot gut bring it along
There's a rooster fight on Red Rock Farm
Had me a Benny and an Rhode-Is. Red
Kept him in the back of my shed
Kept him in water, kept him fed
Went in one day and chopped off their heads
There's a rooster fight on Red Rock Farm
Bring your money, bring your gun
If you got any rot gut bring it along
There's a rooster fight on Red Rock Farm
There's a rooster fight on Red Rock Farm
