

Soft On My Shoulder

Fred Eaglesmith

Soft on my shoulder
Sing it to me baby just one more time
Let's pretend that it isn't over
And you're still mine
Let's pretend we're like we used to be
Let's pretend you're still in love with me
Soft on my shoulder
Sing it to me baby just one more time

I know you love another
And there's nothing more that I can do
I know you love another
And tomorrow he'll be here with you
But let's not talk about tomorrow forever

Let's pretend that we're still together
Soft on my shoulder
Sing it to me baby just one more time

I can see the moon slipping away
Into the clouds not far not used to the day
I can see the stars falling from the sky
Tipping their hats
Telling me goodnight
Soft on my shoulder
Sing it to me baby just one more time
Soft on my shoulder
Sing it to me baby just one more time
