

Thinking

Fred Eaglesmith

I think about you

I think bout the way you walk

I'm thinking about the way you talk

And the things you do

I think about you

I'm thinking about you

I'm thinking about you

I'm thinking about you

I'm thinking about the way you are

I'm thinking about the way you look

When you're driving my car

I'm thinking about you

I'm thinking about you

I'm thinking about you

Thinking about you

I think about the smile on your face

And every move that you make

And every breath that you take

And how it steals men away in the middle of the night

Stars streak across the sky

I make a wish

I'm thinking about you

I'm thinking about you

Thinking about you

And I don't know what I should do

And I don't know if you're thinking it too

But you don't know what I'm going through

Thinking bout you

Thinking bout you

Thinking about you
