

# Time To Get A Gun

Fred Eaglesmith

My neighbour's car got stole last night  
Right out of his driveway  
We heard the dogs a'barkin'  
We never paid 'em any mind  
Mary says she's gonna lock the door  
From now on when we go away  
And I've been walkin' around this farm  
Wondering if it's time  
Time to get a gun  
That's what I've been thinking  
I could afford one  
If I did just a little less drinking  
Time to put something  
Between me and the sun  
When the talking is over  
It's time to get a gun  
Last week the Government Man was there  
When I walked out of my back door  
He said I'm sorry to bother you, son  
But it don't matter anymore  
'Cause even while we're talkin'  
Right here where we stand  
They're making plans for a four lane highway  
And a big old overpass  
Time to get a gun  
That's what I've been thinking  
I could afford one  
If I did just a little less drinking  
Time to put something  
Between me and the sun  
When the talking is over  
It's time to get a gun  
Mary says she's worried  
About herself and the kids  
She's never known anybody had a gun  
And her daddy never did  
But I think it should be up to me  
'Cause when it's all said and done  
Somebody's got to walk into the night  
Well, I'm gonna be that one  
Time to get a gun  
That's what I've been thinking  
I could afford one  
If I did just a little less drinking  
Time to put something  
Between me and the sun  
When the talking is over  
It's time to get a gun  
When the talking is over  
It's time to get a gun  
When the talking is over  
It's time to get a gun
