

# Best Thing That Ever Happened

Fred Hammond

This Gift to you I bring, a simple offering (pronounce lofferin  
g)

Of praise to you I sing

My grateful heart today, with joy it gives you thanks

You're the truth that lights my way

And with all my gratitude I lift my hands and worship you

All this love from my heart to your ears

I just wanna say you're the best thing that happened to me

I'm here with you, where I wanna be

It's clear to see, you're the best thing that happened to me

You gave your life, just to rescue me

It's clear to see, you're the best thing that happened to me

As loving as you are, you took my broken heart

And held it in your hand

You're healing and touch was there, to show me that you cared

Don't even live again (or so we can live again)

I'm here with you, where I wanna be

It's clear to see you're the best thing that happened to me

You gave your life, just to rescue me

It's clear to see you're the best thing...

One thing I know is true, falling in love with you

Is the best thing I've done

And my life has never been the same!

And with all of my heart I wanna say!

You're the best thang! Soprano and Alto- you are the best thang

You will always be the best thing in my life
