

# Deliverance

**Fred Hammond**

Gazing through the realm of history  
And I stopped to see  
How God's children suffered at another's hand  
Their chains and shackles  
Made them pray intensively  
Oh, that God would come  
And remove them from this land

Being tired of trials great and strong  
How they long to come out of slavery, yeah  
But God had plans  
To help them escape this wrong  
So He moved through a man  
To make them free, yeah

No matter what the day brings  
No matter how tough it seems  
There is deliverance  
Just take these words from me  
Jesus died to set you free  
There is, yeah, deliverance

Now looking at the problems  
We face currently  
How it reaches every one of every race  
The bondage of this day has such immensity  
And some who live in chains  
Refuse to seek God's face

Now it's still the same  
But the slavery's of the mind  
They live where pain  
And suffering never cease, yeah  
But God is right  
And He's been there all the time  
And he longs for His people to be free, yeah

No matter what the day brings  
No matter how tough it seems  
There is deliverance  
Oh, just take these words from me  
Jesus died to set you free  
There is deliverance

Men and women, girls and boys  
And all of you that have no joy  
You need, yeah, deliverance  
No matter what the day brings  
And how tough the chains may seem  
There is deliverance

Now if we'd all unite and become one mind  
There is nothing for us  
That our God won't do, yeah  
We'd see the chains fall off and be left behind  
And we'd always know  
How we made it through, yeah

No matter what the day brings  
Deliverance  
Or how big the chains may seem  
Deliverance  
No matter what the day brings  
Deliverance  
Or how dark the night seems  
Deliverance

The act of being freed  
Deliverance, deliverance  
Come on!  
To be set free it takes  
Deliverance, deliverance

All nations, all races  
All kindred, all people  
All nations, all races  
All kindred, all people

You're in bondage constantly  
And desire to be free  
Live a life abundantly  
Won't you come along with me

I'll show you way  
(Show you the way)  
Show you the way, say  
(Show you the way)  
Let me show you the way, say  
(Show you the way)  
Show you the way to your freedom
