

# I'm Not Afraid

Fred Hammond

I'm not afraid  
For I know that He is with me  
Whether I fall or if I fail  
If I follow, I know

He's walking right beside me  
He promised not to leave me  
And if I ever feel alone  
My hands I'll raise and give Him praise  
For I know He takes care of His own

I'm not afraid  
For I know that Jesus chose me  
Before the world began  
He called out my name  
And though men may fret  
Or even cry that they give in

I won't be afraid  
I won't be afraid  
Come what may  
I won't be afraid  
I won't be afraid, no, oh...  
For in Him my hope lies

He promised to take care of me
