

I Will Trust

Fred Hammond

There was a time I truly believed
That I could do it on my own
But all that I found at the end of that road is
That concept for me was all wrong

But I found a savior who turned me around
And he placed his love on me
And I will trust in You till my last heartbeat

[Pre-chorus:]
Some put their trust in earthly possessions
But in the end it won't bring them through
I will not lean to my own understanding
But with my whole heart here's what I'll do:

[Chorus:]
I will trust (Trust in the name of The Lord)
In the name (Trust in the name of The Lord)
Of The Lord (Lord, I will...)
Lord, I'll trust in You

I will trust (Trust in the name of The Lord)
In the name (Trust in the name of The Lord)
Of The Lord (For I know)
He will see me through

[Verse 2:]
Don't put your trust in things that will perish
And ultimately fade away
And even with family and friends all around you
Can find yourself alone and dismayed

'Cause with their best intentions
They're only human
Believe me when I say:
Trust in the Lord; He's faithful and true.

[Pre-chorus]

[Chorus]

[Bridge:]
The name of The Lord is a mighty strong tower
The righteous run in and they're safe
I will trust you

[Chorus 2x]

[Ending:]
I will trust (Trust in the name of The Lord)
In the name (Trust in the name of The Lord)
Of The Lord (Lord, I will...)
Lord, I'll trust in You...

Lord, in You...

I will trust (Trust in the name of The Lord)

In the name (Trust in the name of The Lord)
Of The Lord (Oh, I will...)
Lord, I'll trust in You.

I will trust (Trust in the name of The Lord)
In the name (Trust in the name of The Lord)
Of The Lord (Lord, I know...)
