

My, My, My God Is Good

Fred Hammond

(If you know the Lord is good let me hear you say)
My, my, my, my, my, my, my God is good
(If you know the Lord is good let me hear you say)
My, my, my, my, my, my, my God is good

He woke you up this morning
To see a brand new day, yeah
His eyes are fixed upon us
Filled with mercy and with grace

In case you didn't realize
How wonderful He is
Keep this in mind
And don't forget it
In all your days you'll never find
No one like Him

If you know without a doubt
Then let me hear you proclaim it out loud

As we lift our hearts in worship
And our mouths filled with praise
Thinking how He surely loves us
And our hands are steadily raised
Can you say

With no shame, stand and tell the world
How wonderful He is
In all your days you'll never find
No one like Him

If you know without a doubt
Stand up and proclaim it out loud
Let me hear you say it
See those hands a waivin', my God
My, my, my, my, my, my

Just think of all the ways
That He blesses
His kindness and His love
Never fails
Let's sing and tell the world
Of His goodness
Compassion just goes on and on

(Do you love Him) Yes
(Do you know He's good) Oh Yes
(Do You really know) Oh yes, oh yes
God is always good
He's good
And we love Him
He's good, God is always good
(Do you love Him) Yes
(Is He good) Oh yes, oh yes, oh yes
God is always good
In all your days you'll never find
No one like Him

Aw, let me tell you somethin' that you should've known (oh yeah)
It must have blazed across your dome but you wasn't for sure, what (oh yeah)
Take it from the back to the front of your mind (oh yeah)
God is always good and that's all the time

God is good
All the time
All the time
God is good

My, my, my, my, my, my, my God is good
My, my, my, my, my God is good

All the time
God is good
God is good
All the time
All the time
God is good
